How to use @ to get the attention of a student

- 1 In any message box, type @ and then select the name of a student or class team.

Using this method, you can get the attention one, two, or even an entire class of students with a single message.

Things to try...

- Send an @ message to a whole class
- Send an @ message to multiple students at once

Stuck and need some help?

- Ask a question on the ClassThink forums, a friendly community of likeminded educators.
